

## Suit Order Worksheet

Completion of This Form Is Required to Process Order

### Step 1 : Suit Type

### Step 2 : Design

Browse our many designs on the SUITS page on our website

### Step 3 : Hard Armor/Soft Armor/Extra Leather

Type HA for Hard Armor, SA for Soft Armor, and XLT for Extra Leather, in all appropriate boxes.

Shoulders	Elbow/Forearm	Hips	Knees
-----------	---------------	------	-------

### Step 4 : Lettering

Consult the SUIT PRICING OPTIONS section of the SUITS page and use our provided language to describe lettering and location of lettering. All custom lettering requires an additional message in your email providing the font you'd like to use, or you can call and ask about our available fonts.

**Step 5 : Logos**

Please consult the SUIT PRICING OPTIONS section of the SUITS page on our website. Then describe the location of your logo/s in the box below. All logos should be emailed (preferably in JPEG format) as an accompanying attachment to [info@batesleathers.com](mailto:info@batesleathers.com).

**Step 6 : Extras (Pockets, Waistband [jacket], Vents, Etc..)**

Use SUIT PRICING OPTIONS section of the SUITS page on our website and describe your desired extras below.

**Step 7 : Spandex/Kevlar/Nomex**

Use SUIT PRICING OPTIONS section of the SUITS page on our website and describe your specific locations that require Spandex, Kevlar, or Nomex.

**Step 8 : Collar Type**

**Section for Notes**

Please provide any pertinent info in the box below.
